

The Impact of 2011 Tohoku-Kanto Earthquake (2nd Report)

March 16, 2011

We do sincerely express our deepest sympathy to all those suffering due to the Earthquake at the Pacific Coast of Tohoku region (Tohoku-Kanto Earthquake) and its aftershocks occurred since the afternoon of March 11, 2011.

We hereby announce our current situation for our operational sites according to the earthquake as follows.

The recovery of production line and facilities at our Hadano headquarter (located at Hadano City, Kanagawa Prefecture) and Tsukuba fab (located at Tsukuba City, Ibaraki Prefecture) has been completed and the operation has been started in sequence.
